BRITISH  
PTERIDOLOGICAL  
SOCIETY**

# **PTERIDOLOGIST**

**Index  
for  
Volume 4 (2002 - 2007)  
(Parts 1 - 6)**

**Compiled by  
Andrew Leonard**

PTERIDOLOGIST is a journal of the British Pteridological Society and contains articles on ferns, clubmosses & quillworts, which should be of interest to both amateurs and professionals. The scope ranges widely, from gardening, horticulture and botany through natural history, ecology, medicine, folklore, literature, travel, the visual arts, furniture and architecture.

ISSN 0266 - 1640
